Two worship songs

Large Group Script:

Ok, boys and girls, let's sit down criss-cross applesauce and see if we can remember some stories that happened in the Bible.

(Pass out noise markers)

Everyone hold up your noise marker and shake them really fast!!

Ok, now Stop!...put the noise marker in your lap and I will let you know when to shake them, only after we answer the questions.

(When the questions come on the screen read them out loud one at a time, wait a little and answer them...every time the Preschoolers answer a question they all shake there noise markers).

After you read all the questions on the screen have the kids hold their noise marker with both hands and bow their hands and pray!

Prayer: Dear God, Thank you for making us super smart and allowing us to remember the things you did in the Bible. We love you! Amen

Take home: *Small group leaders will collect noise markers in the classroom and put into small baggies and write names on the bags to take home .*
