**SUMMARY:**

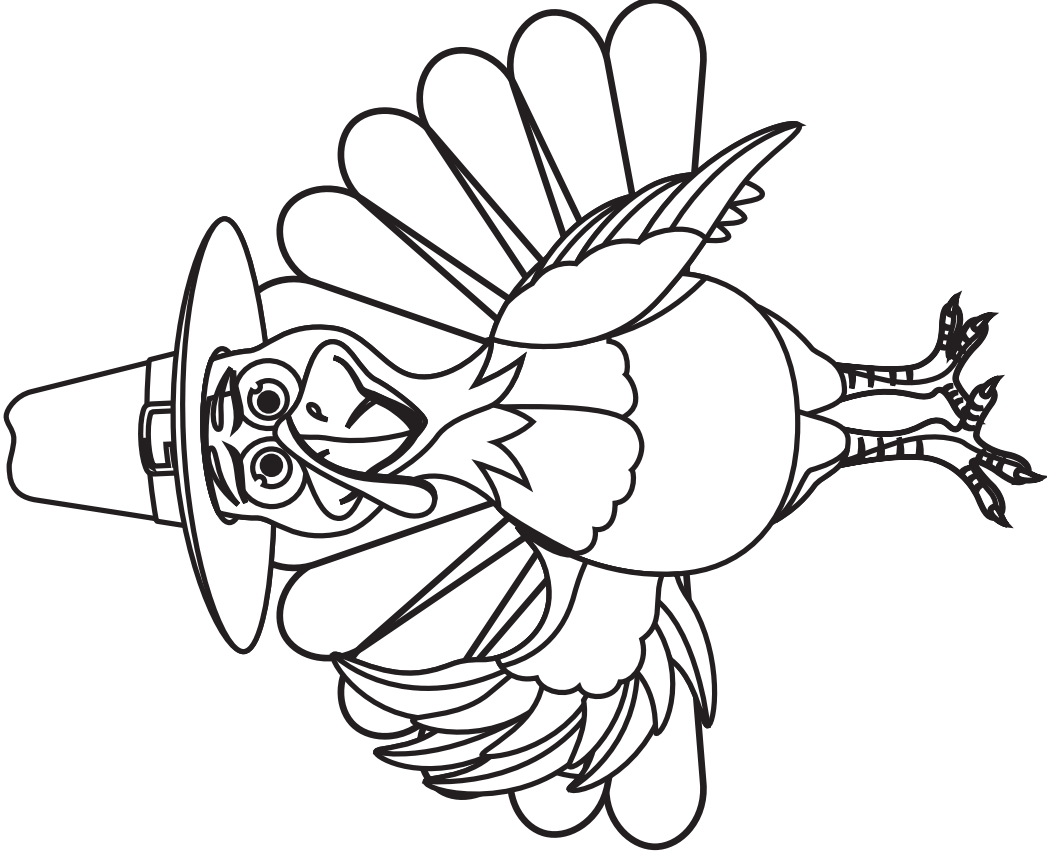

God had showed up big time for his people, the Israelites, freeing them from years of slavery in Egypt. The Israelites were thankful for deliverance. But the moment they encountered their first obstacle, the Red Sea, they immediately began to grumble and complain. God parted the Red Sea and rescued his people, showing them that every obstacle is an opportunity for God to do amazing things.

**SIMPLE PRAYER:**

*Dear God,*

*We want to be thankful people and not grumblers. Help us to see every obstacle as an opportunity for you to do amazing things in our lives.*

*In Jesus' name,  
Amen*
